National Postal Service / Drop Off & Pick Up

POST - You could simply use Aust Post Express Post Satchels / Boxes for orders up to 5KG. Larger orders should be sent Registered Parcel Post with a signature on our end.

PICKUP SERVICE - The other option is to use a courier service. <https://www.sendle.com/> are a service that utilize recognized National Courier Networks and priced reasonably. They will pickup your parcel from your home.

DROP OFF - Yes! We are keeping our doors open to ALL who wish to drop their order in to us at our National Processing Centre in Molendinar.

We believe in full pricing transparency. Due to the nature of content of obsolete formats, we do understand that it can often be a little difficult to work out an exact cost for your order before completion.

For this reason we cannot provide exact quotes. We also do not provide quotes or estimates on arrival of your order. Please contact us via email at ron@reelbox.com.au or call 1300 55 39 55 for clarification on any pricing on the above price list prior to sending your order to us. We are more than happy to assist with providing a verbal or written estimate at this time.

2022 Reelbox reserves the right to make amendments to this price list at any time.
